Note: Everyone can register up to 8 family members for tele health consultations

Benefits to the Employees:

- ▶ **Convenience:** No need to travel; consultations can be done from home or the workplace.
- ▶ **Immediate Access to Care:** Quick consultations with healthcare professionals when needed.
- ▶ **Privacy:** Secure and confidential consultations from the comfort of their space.
- ▶ **Work-Life Balance:** Easily manage health without disrupting daily routines.
- ▶ **Peace of Mind:** Employees can easily access medical advice, reducing anxiety about health concerns.

Benefits to the Employers:

- ▶ **Time-Saving:** Allow employees to focus on their work by avoiding long hospital waits.
- ▶ **Reduced Absenteeism:** Employees can seek medical advice without taking full days off work.
- ▶ **Better Team Management:** With fewer health-related disruptions, teams can maintain steady workflow and collaboration.
- ▶ **Productivity and Lower Attrition Rate:** Providing teleconsultation services to employees helps reduce attrition rates by ensuring their health needs are met promptly, leading to increased productivity and overall job satisfaction.
- ▶ **Cost Savings:** Preventive care and early interventions reduce long-term healthcare costs for both employees and the company.
